## NOTIFICATION

### Addendum

The following communication, received on 17 July 2014, is being circulated at the request of the Delegation of the European Union.

#### Food additives

The Union list of flavourings and source materials is laid down in Annex I to Regulation (EC) No 1334/2008. It was established by Commission Implementing Regulation (EU) No 872/2012 of 1 October 2012 adopting the list of flavouring substances notified in G/SPS/N/EU/13/Add.1 (12 October 2012) which is now amended by draft "Commission Regulation (EU) amending Annex I to Regulation (EC) No 1334/2008 of the European Parliament and of the Council as regards removal from the Union list of the flavouring substances of N-Ethyl (2E,6Z)-nonadienamide".

This addendum concerns the withdrawal of N-Ethyl (2E,6Z)-nonadienamide from the list of authorised flavouring substances.

The European Food Safety Authority (EFSA) has requested additional scientific data to be provided for completing the evaluation of N-Ethyl (2E,6Z)-nonadienamide as a flavouring substance. The persons responsible for placing this flavouring substance on the market have now withdrawn the application.
