6.	Description of content: The Animal and Plant Health Inspection Service (APHIS) is proposing to amend the regulations governing the importation of certain animals, meat, and other animal products to allow, under certain conditions, the importation of fresh (chilled or frozen) beef from a region in Argentina located north of Patagonia South and Patagonia North B, referred to as Northern Argentina. Based on the evidence in a recent risk assessment, we believe that fresh (chilled or frozen) beef can be safely imported from Northern Argentina provided certain conditions are met. This proposal would provide for the importation of beef from Northern Argentina into the United States while continuing to protect the United States against the introduction of foot-and-mouth disease.
