This regulation establishes a maximum permissible level for residues of thiabendazole in or on this commodity. The time-limited tolerance expires on 31 December 2018.

This regulation is effective 17 July 2015. Objections and requests for hearings must be received on or before 15 September 2015, and may be identified by docket identification (ID) number EPA-HQ-OPP-2015-0396.
