NOTIFICATION

Addendum

The following communication, dated 7 June 2017, is being circulated at the request of the delegation of Costa Rica.

On 4 April 2008, the Government of the Republic of Costa Rica notified, in G/TBT/N/CRI/74, Central American Technical Regulation (RTCA) No. 67.04.50:08: "Food products. Microbiological criteria for food safety", which establishes the microbiological parameters and permissible limits for the registration and sanitary surveillance of food products. The provisions of this Regulation apply to all food products marketed in Central American countries.

The purpose of the present Addendum is to notify WTO Members that RTCA No. 67.04.50:08 has been revised and that there will be a comment period of 60 days as from the date of this notification.
