NOTIFICATION

Addendum

The following communication, dated 19 March 2015, is being circulated at the request of the delegation of Brazil.

This addendum aims at informing that the National Institute of Metrology, Quality and Technology – INMETRO issued Ordinance n° 149, 13 March 2015 to approve the requirements previously set by the Ordinance n° 474, 27 October 2014 and notified under the document G/TBT/N/BRA/343/Rev.2, for electric fences, considering the need to update the Assessment Program Requirements set by Ordinance n° 371, 29 December 2009 (G/TBT/N/BRA/343/Add.1), in order to ensure security to electric fence energizers, covered by IEC 60335-2-76, through the compliance of mandatory requirements like, thermal insulation that should be evaluated during the certification process.
