NOTIFICATION

Addendum

The following communication, dated 14 July 2014, is being circulated at the request of the delegation of Brazil.

This addendum aims at informing that the Ministry of Agriculture, Livestock and Food Supply (MAPA) issue Ordinance Number 23, 8 July 2014 (Instrução Normativa N° 23, de 8 de Julho de 2014), published in the Brazilian Official Gazette Number 129, 9 July 2014, section 1, page 03/04, concerning the changes upon the Ordinance Number 19, 19 July 2013 notified as document under the code G/TBT/N/BRA/418/Add.2, in order to complement the identity's and quality's standards requirements, to establish the minimal amount of the main ingredients, and to reduce the amount of sodium, derived from sodium chloride added, for safety reasons, for non-alcoholic beverages like: refreshment; coolant; ready-to-drink; tea and soda, to be marketed in Brazil.

It also extends the date of entry into force, until 12 December 2014, to adapt the products to the changes contained in this Instruction.

The full text of this measure is available in Portuguese and can be downloaded at:
