NOTIFICATION

Addendum

The following communication, dated 18 February 2014, is being circulated at the request of the delegation of Canada.

Amendments to Certain Regulations and the Creation of a New Icewine Regulation Administered and Enforced by the Canadian Food Inspection Agency

The proposal notified in G/TBT/N/CAN/393 (dated 3 July 2013) was adopted on 12 February 2014. The following amendments have been made:

- a new standard of identify for icewine has been created under the *Canada Agricultural Products Act*;
- the *Consumer Packaging and Labelling Regulations* (CPLR) has been amended to include a definition of wine and to permit for single field of vision labelling for mandatory information on wine containers; and,
- minor text amendments to the *Food and Drug Regulations* and the CPLR have been made to allow a particular type size to be used on a specific size of bottle and to allow for the use of abbreviations in the alcohol content declaration have been made.

These regulatory amendments came into force on 29 January 2014.
