Committee on Technical Barriers to Trade

Original: English

## NOTIFICATION

### *Corrigendum*

The following communication, received on 18 November 2015, is being circulated at the request of the Delegation of the United States of America.

---

TITLE: National Environmental Policy Act; Environmental Assessments for Tobacco Products; Categorical Exclusions; Correction

AGENCY: Food and Drug Administration, HHS

ACTION: Final rule; correction

SUMMARY: The Food and Drug Administration (FDA or we) is correcting the preamble to a final rule that appeared in the Federal Register of 24 September 2015. This final rule provided FDA with categorical exclusions from the requirement to prepare environmental assessments for certain actions regarding the marketing of tobacco products under the Family Smoking Prevention and Tobacco Control Act (Tobacco Control Act). The final rule also included amendments to certain environmental impact regulations to include tobacco products, where appropriate, in light of its authority under the Tobacco Control Act.

The document published with technical errors in reference numbers cited in the document. This document corrects those errors. We are placing a corrected copy of the rule in the docket.

DATES: Effective on 16 November 2015.
