Committee on Technical Barriers to Trade

Original: English

NOTIFICATION

Addendum

The following communication, dated 21 July 2016, is being circulated at the request of the delegation of the United States of America.

TITLE: Viruses, Serums, Toxins, and Analogous Products; Single Label Claim for Veterinary Biological Products

AGENCY: Animal and Plant Health Inspection Service, USDA

ACTION: Final rule; technical amendment

SUMMARY: In a final rule published in the Federal Register on 10 July 2015, and effective on 8 September 2015, we amended the Virus-Serum- Toxin Act regulations to provide for the use of a simpler labeling format that would better communicate product performance to the user. Among other things, we provided the address of a Web site for accessing transmittal forms to be used with each submission of sketches and labels. However, the Web site address provided is incorrect. Therefore, we are amending the regulations to provide the correct address.

DATES: Effective 20 July 2016.
