## NOTIFICATION

### *Addendum*

The following communication, dated 8 December 2016, is being circulated at the request of the delegation of the Republic of Korea.

---

The Republic of Korea notifies the WTO of changes it has made, in part, to the content and scope of notified Notifications with regard to information on health risks of excessive drinking.

Main changes run as follows:

1. The title of the notification will be changed to "Notifications on Warning Messages on Excessive Drinking", and the contents about smoking will be removed.
2. One of the three warning messages is rephrased for clarification purposes.

Interested organizations or persons may submit comments by 8 February 2017.

The text of the new Notifications is attached to this Notification:
