Corrigendum

The following communication, received on 19 August 2016, is being circulated at the request of the Delegation of the United States of America.

TITLE: Energy Conservation Program: Energy Conservation Standards for Uninterruptible Power Supplies; Correction

AGENCY: Office of Energy Efficiency and Renewable Energy, Department of Energy

ACTION: Notice of proposed rulemaking (NOPR); correction

SUMMARY: The U.S. Department of Energy (DOE) published a document in the Federal Register on 5 August 2016, concerning a notice of proposed rulemaking and announcement of public meeting regarding energy conservation standards for uninterruptible power supplies. 81 FR 52196. The NOPR provided that the public meeting would be held on 9 September 2016. However, due to a scheduling conflict amongst stakeholders, DOE is changing the date of the public meeting to Friday, 16 September 2016, beginning at 9:30 a.m. All other dates, including the date that the comment period closes, remain unchanged.

This correction is effective 15 August 2016.
