## NOTIFICATION

### *Corrigendum*

The following communication, received on 21 July 2017, is being circulated at the request of the delegation of the United States of America.

---

TITLE: United States Standards for Lentils

AGENCY: Grain Inspection, Packers and Stockyards Administration, USDA

ACTION: Correction

SUMMARY: In notice document 2017-14803, appearing on pages 31550-31551 in the Issue of Friday, 7 July 2017, make the following correction:

On page 31551, in the table titled "607 GRADES AND GRADE REQUIREMENTS FOR DOCKAGE-FREE LENTILS", in the tenth row, in the fourth column, the entry "<4.0z" should read ">4.0".
