Committee on Technical Barriers to Trade

Original: English

NOTIFICATION

Addendum

The following communication, dated 16 January 2020, is being circulated at the request of the delegation of the Czech Republic.

Draft General Measure number: 0111-OOP-C093-18, laying down metrological and technical requirements for legally controlled measuring instruments, including the testing methods for type approval and verification of legally controlled measuring instruments: "Venturi tube sensors for transmission medium flow", has been adopted.

The English version of the Final text will be available in the TRIS database, follow the attached URL link below.
