6. Description of content: This notified draft act includes provisions from the current EU legislation on olive oil standards (Regulation (EEC) No 2568/91 and Implementing Regulation (EU) No 29/2012), which relate to characteristics of different olive oils categories; blending, naming, labelling, packaging and storing of olive oils sold at retail level; as well as special provisions related to the place of origin and optional reserved terms, to underline specific characteristics of some olive oils.
7. Objective and rationale, including the nature of urgent problems where applicable: Regulation (EU) No 1308/2013 repealed and replaced Council Regulation (EC) No 1234/2007, Part II, Title II, Chapter I, Section 1 of Regulation (EU) No 1308/2013 lays down rules on marketing standards for olive oil and empowers the Commission to adopt delegated and implementing acts in that respect. In order to ensure the smooth functioning of the olive oil market in the new legal framework, certain rules had to be adopted by means of such acts. This act replaces Commission Regulation (EEC) No 2568/91 and Commission Implementing Regulation (EU) No 29/2012, which should therefore be repealed. This notified draft act only introduces minor clarifications and deletes obsolete provisions and aligns with the revised International Olive Oil Trade

Standard for Olive Oils and Olive-Pomace Oils.; Reducing trade barriers and facilitating trade
