The Permanent Mission of the Republic of Cameroon to the United Nations Office and other International Organizations in Geneva presents its compliments to the World Trade Organization and has the honour to inform the latter that Cameroon has decided to be part of the ongoing discussions on E-commerce launched by the Joint Initiative.

The Mission expresses its readiness to constructively work with all parties to reach a comprehensive agreement that takes into account the digital divide and the developmental interests of developing countries.

The Permanent Mission of the Republic of Cameroon avails itself of this opportunity to renew to the World Trade Organization, the assurances of its highest consideration.
