The following communication, dated 3 June 2019, is being circulated at the request of the Delegation of the Republic of Korea.

1. Pursuant to Article XIX, paragraph 1(b) of the revised Agreement on Government Procurement as amended by the Protocol Amending the Agreement on Government Procurement (hereinafter referred to as "the revised Agreement"), the Government of the Republic of Korea hereby notifies the Committee on Government Procurement of the following proposed modifications relating to its Annex 3 of Appendix I of the revised Agreement:
  - a. Delete "20. Seoul Metropolitan Rapid Transit Corporation;" from List of Entities; and
  - b. Renumber the other entities accordingly.
2. The above modifications are based on the fact that Seoul Metropolitan Rapid Transit Corporation's functions have been moved to Seoul Metro from 31 May 2017. All activities (including rights and duties) of the former entities are conducted by the Seoul Metro.
3. The modifications that the Republic of Korea is proposing do not affect the mutually agreed coverage provided under the revised Agreement.
4. Attachment A to this document shows (in bold, strikeout or underlining) the proposed modifications by the Republic of Korea to page 1/2 of Annex 3 to Appendix I. Attachment B indicates how this page would appear after the proposed modifications have been made.<sup>2</sup>

The Party proposing the modification (hereinafter referred to as "modifying Party") shall include in the notification: (a) for any proposed withdrawal of an entity from its annexes to Appendix I in exercise of its rights on the grounds that government control or influence over the entity's covered procurement has been effectively eliminated, evidence of such elimination; or (b) for any other proposed modification, information as to the likely consequences of the change for the mutually agreed coverage provided for in this Agreement.
