

Committee on Government Procurement

**SYSTEMATIC COMPILATION OF NOTIFICATIONS UNDER THE
AGREEMENT ON GOVERNMENT PROCUREMENT**

STATE-OF-PLAY AS OF 18 MARCH 2021

NOTE BY THE SECRETARIAT¹

This note systematically compiles documents² relating to notifications under the Agreement on Government Procurement (GPA), including with respect to (i) thresholds applicable under the Agreement³; (ii) national implementing legislation⁴; (iii) statistical reporting⁵; and (iv) modifications and rectifications to coverage (Appendix I)⁶ and of information on the procurement systems listed in Appendix II, III, and IV⁷ to the GPA 2012.⁸

This document will be updated periodically to reflect the latest developments.

Any questions, comments or corrections of oversights regarding the foregoing may be addressed to the Secretariat (reto.malacrida@wto.org; philippe.pelletier@wto.org and/or gpa@wto.org).

¹ This document has been prepared under the Secretariat's own responsibility and is without prejudice to the positions of Members or to their rights and obligations under the WTO.

² Please note that some documents relating to rectifications or modifications to Appendices I to IV to the GPA 2012 are temporarily restricted (i.e. those circulated in the GPA/MOD/* series). They are automatically derestricted upon certification of such changes in the Appendices (see paragraph 2(d) of the Committee Decision of 8 October 2002 on the Procedures for the Circulation and Derestriction of Documents of the Committee ([GPA/72](#))).

³ In accordance with the Decision on Modalities for Notifying Threshold Figures in National Currencies ([GPA/1](#), Annex 3.), Parties have been invited to notify their respective threshold values in national currencies.

⁴ Each Party shall inform the Committee of any changes to its laws and regulations relevant the GPA 2012 and in the administration of such laws and regulations (Art. II:5 of the GPA 2012). Under certain conditions and in cases of non-substantive changes, the Committee Decision on "Notification Requirements under Articles XIX and XXII of the Agreement" provides flexibility to submit notifications on an annual basis ([GPA/113](#), Annex A). See also Article XXIV:5(b) of the GPA 1994.

In addition, a 1996 Committee Decision ([GPA/1/Add.1](#)) requires that each Party to the Agreement submit the complete texts of their basic legislation on government procurement in the original language and a summary of this legislation and other relevant legislation in one of the official WTO languages to the WTO Secretariat. In addition, Parties are required to provide responses to the checklist of issues regarding their national legislation and institutional arrangements.

⁵ Each Party shall collect and report to the Committee statistics on its contracts covered by the GPA 2012. Each report shall cover one year and be submitted within two years of the end of the reporting period (Art. XVI:4 of the GPA 2012). See also Article XIX:5 of the GPA 1994.

⁶ Each Party shall notify the Committee of any proposed modification and rectification of its annexes to Appendix I (Art. XIX:1 of the GPA 2012). Under certain conditions, the Committee Decision on "Notification Requirements under Articles XIX and XXII of the Agreement" provides flexibility to submit notifications every two years ([GPA/113](#), Annex A).

⁷ Each Party shall promptly notify the Committee of any modification to the Party's information listed in Appendix II, III or IV to the GPA 2012 (Art. VI:3 of the GPA 2012).

⁸ Notification procedures during the period of co-existence of the GPA 1994 and GPA 2012 (i.e. from 06/04/2014 to 31/12/2020): With respect to notifications concerning national implementing legislation and statistics, a consensus emerged in the Committee that those Parties for whom the GPA 2012 had come into effect need not make parallel notifications under the GPA 1994. A similar practice had been implemented for the notifications of thresholds in national currencies, except where different threshold values applied under the GPA 1994 and the GPA 2012. The above understanding also did not apply with respect to modifications to coverage (Appendix I) and of information on the procurement system listed in Appendix II, III, and IV, which remain subject to notification requirements under both the GPA 1994 and the GPA 2012. See para. 5.2 of [GPA/134](#) (16/11/2015).
