## 2 PERIOD OF VALIDITY FOR THE THRESHOLD

The threshold levels provided above will apply to the period starting on 1 January 2020 and ending on 31 December 2021.

## 3 METHOD OF CALCULATION

The calculation of the thresholds of the Agreement on Government Procurement, expressed in Euro (EUR) and in national currencies, has been based on the average daily Special Drawing Right (SDR) to EUR exchange rate over 24 months from 1 September 2017 through 31 August 2019 (SDR 1 = EUR 1.20917).

The value of the thresholds in Euro and in national currencies has been expressed without the value-added tax (VAT), because the European Union excludes VAT when calculating the value of contracts.
