

**ANNUAL REPORT FOR 2019 OF THE COMMITTEE ON BUDGET,  
FINANCE AND ADMINISTRATION**

*Corrigendum*

Page 2, Paragraph 1.16 should be modified to read as follows:

1.16. Finally, the CBFA examined the WTO 2020-2021 Budget proposal of the ITC, and the WTO 2020-2021 Consolidated Budget proposal. The Committee recommended to the General Council to approve the 2020 WTO Consolidated Budget and the 2020-2021 ITC Budget, and to take note of the 2021 WTO Consolidated Budget which, due to exceptional circumstances, will be finalized in 2020. As the ITC budget is a component of the overall WTO Consolidated Budget, it follows that the ITC 2020 budget has been recommended for approval whilst the ITC 2021 budget is to be noted. In addition, the Committee reviewed and recommended the 2020-2021 Biennial Technical Assistance and Training Plan for approval by the General Council.
