**STATUS REPORT REGARDING IMPLEMENTATION OF THE  
RECOMMENDATIONS AND RULINGS BY TÜRKİYE**

Türkiye submits this status report under Article 21.6 of the Understanding on Rules and Procedures Governing the Settlement of Disputes (DSU) to inform the Dispute Settlement Body (DSB) of its progress in the implementation of the arbitration award in DS583.

Türkiye wishes to refer to its previous reports (WT/DS583/18, Add.1 and Add.2) and would like to inform the DSB that on 18 July 2023, Social Security Institution published an announcement on its official website inviting relevant pharmaceutical companies to make an application for reactivation of their products in the reimbursement list until 30 September 2023.

Türkiye stands ready to respond to the questions the European Union may have in relation to the implementation in this dispute.
