UNITED STATES - ORIGIN MARKING REQUIREMENT

COMMUNICATION FROM THE PANEL

The following communication, dated 21 June 2022, addressed to the Chairperson of the Dispute Settlement Body (DSB), is circulated in accordance with Article 12.9 of the Dispute Settlement Understanding (DSU).

Article 12.8 of the Understanding on Rules and Procedures Governing the Settlement of Disputes (DSU) provides that the period in which a panel shall conduct its examination, from the date that the composition and terms of reference of the panel have been agreed upon until the date the final report is issued to the parties to the dispute, shall, as a general rule, not exceed six months.

Article 12.9 of the DSU provides that, when a panel considers that it cannot issue its report within six months, it shall inform the Dispute Settlement Body (DSB) in writing accordingly and indicate the reasons, together with an estimate of the period within which it will issue its report.

The Panel in *United States – Origin Marking Requirement* (WT/DS597) was established by the DSB on 22 February 2021 and composed on 29 April 2021.

In a communication addressed to the Chairperson of the DSB, dated 26 October 2021, the Panel indicated that it expected to issue its final report to the parties in the second quarter of 2022 (WT/DS597/7).

In the light of the complexity of the issues presented in the dispute, the Panel now expects to issue its final report to the parties in the last quarter of 2022.

The report will only be available to the public once it is circulated to the Members in all three official languages of the WTO. The date of circulation depends on completion of translation and the Panel is not in a position to provide an estimated circulation date at this time.

I would be grateful if you would circulate this letter to the DSB.
