Following a reverse notification by New Zealand in relation to milk powder - milk powder containing not more than 1.5 per cent by weight of fat (CCCN 04.02.02.01) - and other milks in solid form (CCCN 04.02.02.99) the information appearing under "Remarks" should be amended to read:

L Prior opinion by the Ministry of Agriculture and Foodstuffs
ST Bulk of commercial imports are made by ENCI (State importing and exporting agency for basic commodities)

In this connexion, the Peruvian authorities have pointed out that the State does not, however, have the exclusive right in respect of such imports.
