The third and fourth paragraphs should be amended to read as follows:

"The representative of Switzerland pointed out that the United States suggestion contained several new elements on which his delegation could not take a position at the present meeting. He also felt that the conclusions of a panel should not be prejudged by suggesting that it should arrive at no other recommendation than the setting up of a working party to examine new types of international rules.

The representative of the Communities supported the representative of Switzerland. He confirmed that the Communities preferred a procedure whereby a body of neutral experts be set up to examine the question."
