EXPORT OF DOMESTICALLY PROHIBITED GOODS AND OTHER HAZARDOUS SUBSTANCES

Draft Decision submitted by African Delegations

Recalling the statement made by the Chairman of the Ministerial meeting of the Trade Negotiations Committee at Montreal in December 1988 on the Export of Domestically Prohibited Products and other Hazardous Substances;

Taking into consideration the increasing concern of the CONTRACTING PARTIES in particular the developing countries on the subject-matter;

The Council decides to establish a Working Group to examine the trade-related aspects in such products and substances, keeping in mind the work being done by other international organizations, and to make appropriate recommendations concerning GATT.

The work should be completed by the end of 1990 and a progress report should be submitted to the 45th Session of the CONTRACTING PARTIES in 1989.
