The following communication has been received from the Permanent Mission of Canada.

I have the honour to inform you, for the information of members of the Committee on Anti-Dumping Practices, that the Anti-Dumping Act which came into force 1 January 1969 was amended 18 December 1970. A copy of the amending Act is attached. The amendments relating to dumping proceedings are of a technical nature. Among other things they provide more specifically for the termination of anti-dumping proceedings and the return of provisional duties in the event the Anti-Dumping Tribunal does not find that the dumping of the goods which are the subject of an inquiry has caused, is causing, or is likely to cause, material injury to the production in Canada of like goods, in the circumstances specified in the Anti-Dumping Act.

The amending Act also contains a new provision, Section 16A, which enables the Anti-Dumping Tribunal when requested by the Governor in Council to inquire into and report on other matters in relation to the importation of goods into Canada that may cause or threaten injury to the production of any goods in Canada. This provision, which relates to the functions of the Anti-Dumping Tribunal, does not affect dumping proceedings and action taken under it will not be subject to review by the Committee on Anti-Dumping Practices.
