B. **Cases settled through price undertakings**

The following five cases involved price undertakings where the proceeding was initiated before the beginning of the applicable period:

- **Austria** - rayon staple fibre
- **Canada** - certain steel wire nails
- **Italy** - cumene
- **Sweden** - rayon staple fibre
- **Taiwan** - bicycle tyres and tubes

C. **Cases may be dismissed either (1) by a determination by the Secretary of the Treasury of no sales at less than fair value, (2) a termination of investigation, (3) a determination by the International Trade Commission of no injury to the United States industry, or (4) a termination or withdrawal of complaint by the petitioner.**

Six cases were dismissed with a determination of no sales at less than fair value during the applicable period:

- **Japan** - audible signal alarms, pneumatic marine fenders
- **Republic of Korea** - steel wire rope
- **Netherlands** - cumene
- **Spain** - carbon steel plate
- **United Kingdom** - carbon steel plate

The following three cases dismissed involved a termination of investigation based on a preliminary no injury determination by the International Trade Commission:

- **Canada** - steel wire coat and garment hangers
- **Hungary** - light bulbs
- **United Kingdom** - 45 RPM adapters

One case was dismissed based on a termination of investigation:

- **United Kingdom** - automotive and motorcycle repair manuals
The following nine cases dismissed involved a determination of no injury by the International Trade Commission and where the proceedings were initiated before the beginning of the applicable period:

- Canada
  - portland cement
  - silicon metal
  - certain steel wire nails

- France
  - nylon yarn

- India
  - steel strand for pre-stressed concrete

- Japan
  - welded stainless steel pipe and tubing
  - motorcycles
  - sorbates

- Poland
  - carbon steel plate

The following seventeen cases dismissed involved a termination of investigation based on the withdrawal of petitions:

- Belgium
  - carbon steel plate
  - cold rolled and galvanized carbon steel sheets

- France
  - carbon steel wire rods
  - carbon steel plate
  - cold rolled and galvanized carbon steel sheets

- West Germany
  - carbon steel plate
  - cold rolled and galvanized carbon steel sheets

- Italy
  - carbon steel plate
  - cold rolled and galvanized carbon steel sheets

- Japan
  - stainless steel round wire

- Netherlands
  - cold rolled and galvanized carbon steel sheets

- United Kingdom
  - carbon steel wire rods
  - carbon steel bars
  - carbon steel strip
  - carbon steel plates
  - carbon steel shapes
  - cold rolled and galvanized carbon steel sheets
V. Revocation of anti-dumping findings 1 July 1978-30 June 1979

The following dumping findings were modified or revoked with regard to the listed companies:

- France: clear sheet glass
  - Saint Gobain Industries
- Italy: large power transformers
  - Asgen Ansaldo San Giorgio Compagnio
  - Generale S.p
  - Societa Nazionale dello Officine de Savigliano
- Mexico: elemental sulphur
  - CEDI

The following seven dumping findings were revoked:

- France: clear sheet glass
  - aminoacetic acid
- West Germany: clear sheet glass
- Holland: whole dried eggs
- Japan: asbestos cement pipe
- Portugal: portland grey cement
- Switzerland: large power transformers

VI. Cases pending as of 30 June 1979

Total - twenty-five

A. All cases involve proceedings initiated after the beginning of the applicable period.

- Austria: melamine
- Belgium: titanium dioxide
  - I beams
- Canada: sodium acetate
  - refined sugar
- Finland: condenser paper
France
- titanium dioxide
- sodium hydroxide
- condenser paper

West Germany
- titanium dioxide
- sodium hydroxide

Italy
- sodium hydroxide
- melamine

- spun acrylic yarn
- portable electric typewriters

Republic of Korea
- wire nails

Mexico
- cucumbers
- eggplant
- peppers
- squash
- tomatoes

Netherlands
- melamine

United Kingdom
- certain marine radar systems
- titanium dioxide
- sodium hydroxide

B. There is one case involved where proceedings were initiated before the beginning of the applicable period.

Canada
- methyl alcohol

VII. Dumping findings outstanding as of 30 June 1979; total - eighty-two

Argentina
- printed vinyl film 1

Australia
- canned bartlett pears
- steel reinforcing bars 2

Austria
- railway track maintenance equipment 1

Belgium
- sugar
- perchlorethylene
- portland cement
- rayon staple fibre 4
Brazil

- printed vinyl film

Canada

- carbon steel bars and structural shapes
  - elemental sulphur
  - ice cream sandwich wafers
  - instant potato granules
  - paving equipment
  - pig iron
  - potash
  - racing plates
  - methyl alcohol
  - steel jacks
  - steel reinforcing bars

Czechoslovakia

- pig iron

Dominican Republic

- portland cement

East Germany

- pig iron

Finland

- pig iron
  - rayon staple fibre

France

- large power transformers
  - stainless steel wire rods
  - rayon staple fibre
  - perchlorethylene
  - sugar

Italy

- perchlorethylene
  - clear sheet glass
  - large power transformers
  - pressure sensitive plastic tape
  - rayon staple fibre

Japan

- acrylic sheet
  - bicycle speedometers
  - doorskins
  - cadmium
  - calcium pantothenate
  - carbon steel plate
  - clear plate and float glass
  - clear sheet glass
  - expanded metal
  - steel strand for pre-stressed concrete
