REPLIES TO THE QUESTIONNAIRE ON LICENSING

NORWAY

Corrigendum

INDUSTRIAL PRODUCTS

Paragraph 4 should be amended to read as follows:

"The licensing is either intended to restrict the quantity of imports, or, if automatic, it is applied as a watch system until either the product is fully liberalized or other measures are decided upon."

Paragraph 6(b). The following phrase should be added:

"(For certain textiles for a period of three months)"

Paragraph 6(c). The second sentence should be amended to read as follows:

"The application for a licence must be accompanied by a pro forma invoice or similar documentation."

Paragraph 12 should be amended to read:

"There is no licensing fee."

AGRICULTURAL PRODUCTS

Under paragraph 2(ix) the phrases "edible ice containing fats and not cocoa", and "fat emulsions containing more than 10 per cent fat", should be deleted. These items are exempt from the import regulation as from 1 July 1973.
Under paragraph 5, the first sentence should be amended to read:

"The regulating measures on imports are implemented in pursuance of the Provisional Act on Prohibition on Imports etc. of 22 June 1934 No. 5 and Royal Decree of 2 June 1960 with later amendments, the latest by Royal Decree of 8 June 1973."
