Committee II - Expansion of Trade

TRADE IN AGRICULTURAL PRODUCTS

BELGIUM

Synopsis of Non-Tariff Measures for the protection of Agriculture or in support of Incomes of Agricultural Producers furnished by the Government of Belgium

Corrigendum

Page 5 - Paragraph 2

After "The Government grants subsidies to encourage consumption of dairy products in schools, factories, hospitals, etc."

insert the following sub-paragraph:

"A national committee for the promotion of fish consumption is subsidized by the State."
