Attached for the information of the Committee is the reply of the Government of Ceylon to the questionnaire contained in the annex to document COM.III/1.

**A. Imports, Production, Consumption and Exports**

The statistics in respect of production, consumption and exports of tea of Ceylon are given in the International Tea Committee's Bulletin of Statistics. The only additional information that might be useful, is the fact that nearly the entire acreage of tea in Ceylon (571,000 acres) is sixty to seventy years old.

**B to F.**

These are questions for consuming countries.
