United States Note

His Excellency
Bernardo Supulveda Amor
Secretary of Foreign Relations
Mexico City

Excellency:

I have the honor to refer to paragraph 6(B) of the Agreement Between the United States and Mexico Relating to Trade in Cotton, Wool, and Man-made Fiber Textiles and Textile Products, with annexes, effected by exchange of notes December 23 and 24, 1981 (the Agreement). I also have the honor to refer to the diplomatic note number 800 360 of April 2, 1984 addressed to the Embassy of the United States concerning category 632 (hosiery).
I have the honor to propose on behalf of my government a Designated Consultation Level for category 632 (hosiery) for the 1984 agreement period of one million dozen pair. In addition, the Consultation Level for the 1983 agreement period will be increased to 300,471 dozen pair.

If this proposal is acceptable to your government, this note and a response from the Government of Mexico will constitute an amendment to the Agreement.

MEXICO NOTE

Mexico City

(Translation)

Embassy of the United States of America
Tlatelolco, D.F.

The Department of Foreign Relations presents its compliments to the Embassy of the United States of America and wishes to refer to note No. 1507 of June 25, 1984, in which the Embassy counterproposed to the Government of Mexico the quantity of one million dozen pair as the Designated Consultation Level for category 632 (hosiery) under the Bilateral Agreement Relating to Trade in Cotton, Wool, and Man-made Fiber Textiles, for the 1984 agreement period, and an increase to 300,471 dozen pair for the 1983 agreement period.

In this respect, the Department informs the Embassy that the Mexican trade authorities have agreed to accept the quantity proposed by the Government of the United States for the above-mentioned category, but reserve the right to request, if necessary, an additional quantity during the final quarter of 1984.

The Government of Mexico also wishes to state that this situation is the result of a calamity that occurred at one of the country's principal firms exporting textiles to the U.S.
market, and has drastically and suddenly reduced Mexico's anticipated exports under the above-mentioned category.

The Department of Foreign Relations avails itself of this opportunity to renew to the Embassy of the United States the assurances of its highest consideration.

Tlatelolco, D.F., August 16, 1984
