UNITED STATES AND MALAYSIA
AMEND BILATERAL TEXTILE AGREEMENT

The United States and Malaysia amended their bilateral textile agreement with notes dated October 14 and 25, 1986. Texts of the notes follow:

UNITED STATES NOTE

Kuala Lumpur, October 14, 1986.

Sir:

I have the honor to refer to the Arrangement Regarding International Trade in Textiles, with annexes, done at Geneva on December 20, 1973, and extended by the Protocol adopted on July 31, 1986. I also have the honor to refer to the Agreement on Textiles between the Government of the United States of America and the Government of Malaysia effected by exchange of notes on July 1 and July 11, 1985, (hereinafter referred to as the Agreement), and to consultations in Washington, D.C. on September 17 and 18, 1986. As a result of the consultations I have the honor to propose the following changes to the Agreement.

1. Paragraph 2 of the Agreement shall be replaced with the following text:

2. (A) Textiles and textile products covered by this Agreement are those summarized in Annex A.

2. (B) Tops, yarns, piece goods, made-up articles, garments and other textile manufactured products, all being products which derive their chief characteristics from their textile components, of cotton, wool, man-made fiber, or blends thereof, in which any or all of those fibers in combination represent either the chief value of the fibers or 50 percent or more by weight (or 17 percent or more by weight of wool) of the product, are subject to this Agreement.
2. (C) For the purposes of this Agreement, textile products shall be classified as cotton, wool or man-made fiber textiles if wholly or in chief value of any of these fibers. Any product covered by subparagraph (B) above but not in chief value of cotton or wool or man-made fiber shall be classified as:

(I) Cotton textiles if containing 50 percent or more by weight of cotton, or if the cotton component exceeds by weight the wool and/or the man-made fiber component;

(II) Wool textiles if not cotton, and the wool equals or exceeds 17 percent by weight of all component fibers; and

(III) Man-made fiber textiles if neither of the foregoing applies.

2. (D) If enumerated in annex A of this Agreement, tops, yarns, piece goods, made-up articles, garments and other textile manufactured products, all being products which derive their chief characteristics from their textile components of cotton, wool, man-made fiber, silk blend, and other vegetable fiber, or blends thereof, in which (I) the chief value is silk and/or other vegetable fiber or (II) 50 percent or more by weight is silk or other vegetable fiber or (III) 50 percent or more by weight is a combination of silk, vegetable fiber, cotton, wool or man-made fiber, are subject to this Agreement. For the purposes of this Agreement, such products shall be classified as silk blend and other vegetable fiber. Notwithstanding the above, garments which contain 70 percent or more silk by weight, are not subject to this Agreement.

2. (E) For the purposes of the application of sub-paragraphs (B), (C), and (D) above, a product shall first be considered under the provisions of sub-paragraphs (B) and (C) and, only in the event of those two sub-paragraphs not applying, it shall then fall to be considered under sub-paragraph (D). If sub-paragraph (D) does apply to the product in question it shall accordingly be classified under that sub-paragraph.
II. Paragraph 3(C) of the Agreement shall be amended to include:
