AUSTRIA NOTE

Vienna, 23 October 1987

Excellency,

I have the honour to refer to the ARRANGEMENT REGARDING INTERNATIONAL TRADE IN TEXTILES done at Geneva on 20 December, 1973, to the Protocol Extending the Arrangement of 31 July, 1986, and to the agreement between Austria and Brazil of 27 October, 1982. As the above mentioned agreement between our two countries is due to expire by the end of October, 1987, I am pleased to inform you that Austria will not request an extension of the present restraint agreement. Austria therefore suggests the following procedure for the textile items cotton yarn and kitchen linen of cotton:

1. The usual export licenses shall continue to be issued for the items cotton yarn and kitchen linen of cotton and shall include the Austrian customs tariff classification in force.

   A copy of such export licenses will be requested by the Austrian authorities from the importer for the above mentioned products.

2. Both sides agree to meet at any time for consultations at the request of either side at a date to be agreed upon diplomatic channels.

If this proposal is acceptable to Brazil, this note and your note of confirmation for Brazil shall constitute an agreement between Austria and Brazil.

Accept, Excellency, the assurances of my highest consideration.

Counsellor
