These consultations were held pursuant to a request by Canada on November 25, 1987, having regard to Article 4 of the Arrangement Regarding International Trade in Textiles (MFA).

2. During the discussions it was agreed that, having regard to Article 4 of the MFA, Bangladesh would restrain its exports to Canada of Sportswear coordinates, as defined in the attached Appendix A effective from January 1, 1988 and for the term of the Administrative Provision appended to the Agreed Record concluded between the two Governments on September 29, 1986.

3. In the first restraint period, January 1, to December 31, 1988, exports to Canada of Sportswear coordinates will be restrained to a total level of 1,350,000 units of which adult garments, sized above 6X, will not exceed 900,000 units.

6. It was agreed that exports of childrens and infants garments in Category 6B will be debited against the restraint at a 3 to 5 ratio, that is, for every five units shipped, three units are counted against restraint.

7. It was further agreed that, having regard to Article 4 of the MFA and in respect of Categories 2 to 5 of the Agreed Record of September 29, 1986, swing is permitted from adult garments to Childrens and infants garments at a 3 to 5 ratio effective as of January 1, 1988.

8. This Agreed Record and the accompanying Appendix A and Appendix B will be considered as Annex IV to the Agreed Record of September 29, 1986 and all the provisions in the latter Agreed Record and its annexes will be read to include this Annex IV.

9. Both delegations noted that their signature of this Agreed Record was ad referendum and subjects to confirmation by means of an exchange of diplomatic notes indicating acceptance of these arrangements.
