Letter from the Royal Ministry of Foreign Affairs, Norway

The Royal Ministry of Foreign Affairs has the honour to refer to the bilateral Textile Agreement between Norway and Romania as amended.

In accordance with its policy of further liberalizing the import régime for certain textile products, the Ministry is pleased to suggest that exports of children's clothing up to and including size 152 cm should not be counted against the quotas for Categories 1, 2 and 5 in the Agreement mentioned above.

If acceptable, this amendment could take effect immediately.

The Royal Ministry of Foreign Affairs avails itself of this opportunity to renew to the Embassy of Romania the assurances of its highest consideration.
