The Textiles Surveillance Body received a notification from Norway of an amendment of its agreement with Korea, effective for the period 1 January to 31 December 1991.¹

The TSB, pursuant to its procedures regarding notifications made under Article 4,² has examined the relevant documentation and is forwarding the text of the notification to participating countries for their information.

¹The bilateral agreement is contained in COM.TEX/SB/1438.
²See COM.TEX/SB/35, Annex B.
The Royal Norwegian Embassy presents its compliments to the Ministry of Foreign Affairs and has the honour to refer to the Agreement between the Government of the Kingdom of Norway and the Government of the Republic of Korea relating to the exports from the Republic of Korea of certain textile products for imports into Norway, initialled at Seoul on 22 October 1987.

The Royal Norwegian Embassy has further the honour to propose the following amendments to the above-mentioned bilateral Textile Agreement:

(i) delete from Annex A on product coverage, Categories 3, 4, 6 and 8.

(ii) exclude from Annex A on product coverage in the case of Categories 1, 2 and 5, garments for boys and girls with height up to 152 cm. This would mean that a Norwegian import licence for these sizes will be granted on the basis of a Certificate of Korean Origin, and that the Norwegian licensing authorities would not require an Export Licence from Korea.

(iii) delete from Annex B on restraints, Categories 3, 4, 6 and 8.

It is proposed that these amendments take effect on 1 January 1991.

The above amendments of the Textile Agreement would imply that the revised Annexes A and B would read as follows from 1 January 1991:
