1The bilateral agreement and previous modifications are contained in COM.TEX/SB/1361, 1362, 1363, 1364, 1403, 1405 and 1562.

Commission of the European Communities
Brussels
The Directorate-General for External Relations of the Commission of the European Communities presents its compliments to the Mission of the Republic of Pakistan and has the honour to refer to the Agreement between the Community and Pakistan on trade in textile products initialled on 12 September 1986 and to the Commission's Note Verbale of 2 October 1990 concerning the German unification.

The Directorate-General has the honour to inform the Mission that, due to the unification of the German Democratic Republic with the Federal Republic of Germany, the Community, in spite of the fact that there are no legal obligations under the GATT or MFA, decided for 1991 an increase of the quantitative limits stipulated in the bilateral Agreement between the Community and Pakistan. The uplifts are calculated on the basis of a standard formula, taking also into account direct imports for consumption in the former German Democratic Republic. These uplifts, to be added to the German shares, and the revised EEC quantitative limits are annexed to this Note Verbale.

The Directorate-General would remind the Mission of Pakistan that, in contrast to the import régime in the former German Democratic Republic, textile products not covered by restraints under the above-mentioned Agreement may now be freely imported in accordance with the provisions of that Agreement.

A revision of the quantitative limits implies an amendment of the bilateral Agreement, and in order to implement this amendment, the Directorate-General for External Relations would appreciate if the text of this Note Verbale would be confirmed by the Mission.

The Directorate-General for External Relations of the Commission of the European Communities avails itself of this opportunity to renew to the Mission of the Republic of Pakistan the assurances of its highest consideration.
