The Department of State refers the Embassy of the Republic of Indonesia to the Arrangement Regarding International Trade in Textiles, done at Geneva on 20 December 1973, as amended and extended (the Arrangement), and to the Agreement between the Government of the United States of America and the Government of the Republic of Indonesia Regarding Trade in Cotton, Wool, Man-Made Fibre, Silk Blend and other Non-Cotton Vegetable Fibre Textiles and Textiles Products effected by exchange of notes at Jakarta, dated 25 September and 3 October 1985, as amended and extended (the Agreement).

The Department also refers to discussions held in Bali, Indonesia on 4-6 February 1992, and in Washington, D.C. on 16-17 April 1992, between representatives of our Governments concerning the setting of an appropriate level of restraint for Indonesia exports of products in Category 443 (men's and boys' wool suits) to the United States.

As a result of those discussions, and in conformity with Article 4 of the Arrangement and paragraph 6 of the Agreement, the Governments of the United States of America and the Republic of Indonesia agreed to amend Annex B of the Agreement by establishing a specific limit in Group I on Category 443 in the 1991/1992 agreement year at a level of 78,000 numbers. In addition, as a special measure intended to accommodate outstanding orders placed by US firms with Indonesia in 1991, the United States also agreed to implement the 1991/1992 limit for the nine-month period of 1 October 1991 through 30 June 1992 only.

In accordance with the above, Annex B of the Agreement shall be amended with the following addition:

If the foregoing proposal is acceptable to the Government of the Republic of Indonesia, this note and the Embassy's affirmative note in reply shall constitute an Agreement between our two Governments amending the Agreement of 25 September and 3 October 1985, as amended and extended, which shall enter into force on the date of the Embassy's reply.
