Dear Mr. Chairman,

I refer to your letter of 3 August 1992 requesting information under Article 11:11, 11:12 and 11:2 on the status of import restrictions on textile products covered by the Arrangement as extended by the 1986 Protocol.

(a) Uruguay does not maintain unilateral quantitative restrictions of any kind.

(b) Uruguay has bilateral agreements in force with the United States of America (quantitative restrictions limiting Uruguayan exports of woollen clothing and fabrics), Canada (limiting Uruguayan exports of fabrics of combed wool) and the European Community (without quantitative restrictions).

(c) There are no restrictive measures of any type subjecting imports to availability of foreign exchange or development needs, or according to which products are imported by State-trading enterprises or other enterprises which enjoy exclusive or special privileges.

Yours faithfully

(Signed) Inés Rodriguez

Acting Chargé d'Affaires
