Costa Rica - Canada Textile Products Consultations

Agreed Record of Discussions

1. Delegations representing the Government of the Republic of Costa Rica and the Government of Canada met on 16 and 17 December 1993, in San José, to discuss the export from Costa Rica of underwear (Category 9.0) for import into Canada.

2. The two delegations had detailed discussions on the June 1993 request for consultation on underwear from Costa Rica into Canada. No agreement was reached regarding this call for consultations.

3. However, both sides put forth proposals to reach a mutually agreed solution and each delegation agreed to pursue the discussions at a mutually convenient date in 1994.

4. They were able to reach agreement on the establishment of an interim measure to restrain the volume of imports of underwear originating in Costa Rica into Canada for the period 1 December 1993 to 30 June 1994 to a limit of 1,165,000 units based on the date of shipment without prejudice to any further discussions.

5. Delegations further agreed that in administering the interim measure Costa Rican authorities would issue export licences to accompany each shipment of underwear originating in Costa Rica for export to Canada.

6. The delegations agreed that their respective authorities would communicate to each other their responses to the ad referendum agreement at an early opportunity.
