UNITED STATES NOTE

The Department of State acknowledges receipt of the note of 28 June 1977 from the Embassy of Haiti concerning the consultation levels for categories 55 and 231 of the bilateral agreement of 22 and 23 March, as amended, on trade in cotton, wool and man-made fibre textile products between the United States and the Republic of Haiti (hereafter referred to as the Agreement).

In response to the request from the Embassy of Haiti for permission to exceed the consultation level in categories 55 and 231, the Government of the United States proposes that Haiti be permitted to exceed the applicable level for each of these categories for the second agreement year by 1,000,000 square yards equivalent (S YE). The new authorized shipment level for each category would be 1,700,000 SYE.

If the foregoing proposal is acceptable to the Government of the Republic of Haiti, this note and the Embassy's note of confirmation shall constitute an agreement between the Governments of the Republic of Haiti and of the United States of America pursuant to paragraph 7 of the Agreement.
