Note No. 1

Vienna, 5 July 1976

Sir,

I have the honour to refer to the agreement under Article 4 of the Arrangement Regarding International Trade in Textiles between Austria and the Republic of Korea on trade in woven shirts of discontinuous synthetic fibres, E/TN No. ex 61.03, effected by exchange of notes on 30 July 1976.

As a result of negotiations which took place between representatives of Austria and the Republic of Korea on 3 and 4 June 1976 in Vienna the following understanding concerning the extension of the aforesaid agreement has been reached:

1. Direct and/or indirect exports of woven shirts of discontinuous synthetic fibres during the twelve-month period from 1 August 1976 to 31 July 1977 will be limited to 910,000 pieces.

2. For the purposes of this agreement the expression "woven shirts of discontinuous synthetic fibres" includes shirts in which such fibres represent 50 or more per cent by weight of the product.

3. Upon presentation of export recommendations issued by the Korean authorities on the basis of irrevocable letters of credit for the direct and/or indirect exports to Austria of woven shirts of discontinuous synthetic fibres of Korean origin, the competent Austrian authority will license the corresponding imports within a period of three weeks.

4. Austria and the Republic of Korea shall have full regard to the provisions relating to carryover and carry forward as set down in paragraph 5 of Annex B of the Arrangement Regarding International Trade in Textiles.

H.E. Mr. Pyo-Wook Han,
Ambassador of the Republic of Korea,
Vienna.
5. Austria will, so far as possible, inform the Republic of Korea when imports into Austria of the products that have been debited to the agreed limit are subsequently re-exported from Austria. The Republic of Korea may then credit the quantities involved to the limit set down in paragraph 1 above.

6. Consultations regarding the conduct of exports of the aforementioned shirts from the Republic of Korea to Austria will be held if so desired by either party.

I should be grateful if you would kindly confirm that this letter sets out correctly the understanding reached between the representatives of the two countries.

Accept, Sir, the assurances of my highest consideration.
