ANNEX III
AGREED MINUTES

1. This Agreed Minutes sets out the Agreement which has been reached between the Governments of the Republic of Korea and Canada regarding the implementation of an export authorization procedure.

2. Recognizing the desirability of ensuring the effective control of exports to Canada of the products listed in the Annex I.

   (a) the Government of the Republic of Korea will continue to issue certificates covering shipments to Canada of the subject goods attesting that the goods have been authorized for export to Canada;

   (b) the Government of Canada will place on the Import Control List those goods manufactured in the Republic of Korea that are listed in the Annex I and issue a General Import Licence which will enable any person to import such goods on the condition that each shipment be accompanied by a certificate of export authorization issued by the Government of the Republic of Korea;

   (c) the date of issuance of bill of lading is considered to be the date of shipment;

   (d) shipments of the goods listed in the Annex I, not accompanied by the agreed certificate of export authorization shall not be permitted entry into Canada;

   (e) inasmuch as the Government of the Republic of Korea has implemented the export authorization scheme, the procedure outlined above will apply to all importations into Canada of the goods in question on and after the date of the enabling Order-in-Council, which will take into account the period necessary to notify the importing public; and

   (f) the Government of Canada will provide the Government of the Republic of Korea with a copy of the enabling Order-in-Council.

ANNEX IV

AGREED MINUTES

Regarding sheets (all fibres), pillowcases (all fibres), cotton broad-woven fabrics and broad-woven fabrics substantially of nylon, it was agreed:

(i) restraints on these products should be dropped until such time as the findings of the Textile and Clothing Board inquiries taking place this year are known but, if these findings are that safeguard measures are necessary,

(a) Korea will initiate restraint action immediately, if requested by Canada, at the annual quantitative levels established for 1973;

(b) Korea and Canada will enter negotiations as soon as possible regarding what changes may be warranted in the foregoing restraint levels;

(ii) meantime, the Government of Korea will provide export statistics for these products, when requested by the Canadian Government and should the rate of exportation reach disruptive proportions, consultation will take place immediately to correct the situation.
