ARRANGEMENT REGARDING INTERNATIONAL TRADE IN TEXTILES

Notification under Article 4

Bilateral Agreement between Sweden and Yugoslavia

The Textiles Surveillance Body has received a notification from Sweden regarding a new Article 4 agreement concluded between Sweden and Yugoslavia covering certain textile products.

The TSB, pursuant to its procedure regarding bilateral agreements notified under Article 4, has examined the relevant documentation and is circulating the text of the notification to participating countries for their information.²

¹See COM.TEX/SB/35, Annex B.
²See COM.TEX/S3/431, paragraph 3, for observations of the TSB.
AGREEMENT BETWEEN THE GOVERNMENT OF YUGOSLAVIA AND THE GOVERNMENT OF SWEDEN REGARDING EXPORTS OF CERTAIN TEXTILE PRODUCTS FROM YUGOSLAVIA TO SWEDEN

Article 1

The following Agreement has been reached on the basis of the Arrangement Regarding International Trade in Textiles, particularly Article 4 thereof, and the provisions of GATT document COM.TEX/W/47.

Article 2

This Agreement shall apply to textile products made of cotton, wool, man-made fibres, or blend thereof.

Article 3

The Government of Yugoslavia will limit exports from Yugoslavia to Sweden of the textile products listed in Annex I to the levels set out in that Annex. The date of issue of Customs Declarations is considered to be the date of exportation.

Article 4

The Government of Sweden will admit imports of the textile products of Yugoslav origin listed in Annex I. Such imports shall be covered by Export Certificates as per specimen in Annex II. Such a document shall be issued by the General Association of Textile and Clothing Industry of the Yugoslav Chamber of Economy in Belgrade, be consecutively numbered and bear an endorsement that the consignments concerned have been approved and debited to the agreed limit for exports to Sweden for the relevant period.

Article 5

If the information available to the Swedish authorities shows that the quantitative limit for the category of products specified in an Export Certificate has already been reached or the unused portion of that limit is insufficient to cover the goods specified in the certificate, the said authorities may refuse to admit any quantity in excess of the quantitative limit. In this event the Government of Sweden shall inform the Government of Yugoslavia as soon as possible.
Article 6

Both parties regard it as essential that exports from Yugoslavia to Sweden of the textile products listed in Annex I are evenly spaced throughout the period of agreement taking into account normal seasonal factors and that, in the allocation of quotas, due consideration is given to traditional patterns of trade. Accordingly, the Government of Yugoslavia undertakes to provide a procedure to achieve this.

Article 7

The Government of Yugoslavia will forward to the Government of Sweden, via the Embassy of Sweden in Belgrade, monthly statistics on a cumulative basis of the quantities of the Groups I, II, V, VI, VII, VIII, IX, X, XI(a), XIII and the "rest group", listed in Annex I, for which duly endorsed Export Certificates for exports to Sweden have been issued for the relevant period of agreement. The statistics shall reach the Government of Sweden within a period of two months from the month under reference.

Article 8

In order to ensure the proper functioning of this Agreement, the Government of Yugoslavia and the Government of Sweden shall, as far as possible, refrain from taking additional trade measures which would have the effect of nullifying the objectives of this Agreement.

Article 9

The Government of Sweden and the Government of Yugoslavia agree to consult each other, at the request of either party, if any problem should arise from the implementation of this Agreement.

The Government of Sweden and the Government of Yugoslavia furthermore agree to enter into consultations before the end of the period of this Agreement on the extension, modification or elimination of the limitations for the ensuing period. Should the Parties be unable in the course of such consultations to reach a satisfactory solution within a reasonable period of time, Sweden shall have the right to introduce limits not lower than those specified in Annex I to this Agreement. During these consultations the two Governments will endeavour to find mutually acceptable arrangements for the transfer of unutilized quotas from the present period of agreement to the following period.
Article 10

The two Annexes to this Agreement shall be considered as an integral part of it.

Article 11

This Agreement shall apply for the period from 1 January 1979 to 31 December 1979.

Article 12

This Agreement has been drawn up in two copies in the English language, each of those being equally authentic.

Done in Stockholm on 5 October 1978.
