Information Submitted by the European Community

The TSB has received a communication from the EEC concerning safeguard measures previously taken with regard to certain textile imports originating in Turkey. The TSB noted that there were presently no restraints on Turkish textile products entering into the EEC. In the circumstances the TSB agreed to circulate the communication to the Textiles Committee under Article 7 for the information of the participating countries.
COMMISSION REGULATION (EEC) No 2157/78
of 13 September 1978
making the importation of certain textile products originating in Turkey subject
to quantitative limitation

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1842/71 of 21 June 1971 (1), and in particular Article
1 thereof,

Having regard to the formal request submitted by the
United Kingdom after consultation within the Advisory
Committee established by Article 3 of that Regulation,

Whereas there has been a substantial increase in
imports from the supplier countries on the Commu-
nity market; whereas these imports have given rise to
market disturbance and are causing serious damage to
Community producers resulting in the closure of mills and considerable loss of employment;

Whereas in consequence of this situation imports of
certain textile products originating in the majority of
low-cost supplier countries are at present subject to a
Community system of authorization and quantitative
limitation under either bilateral agreements or auto-
nomous arrangements;

Whereas the extremely rapid increase in recent
months of imports into the United Kingdom of
cotton yams originating in Turkey have helped to
exacerbate the cumulative disturbance of that market;

HAS ADOPTED THIS REGULATION:

Article 1

1. The importation into the United Kingdom of
the Category 1 textile products listed in the Annex,
originating in Turkey, shall be suspended until 31
December 1978.

2. The provisions of the preceding paragraph shall
not apply to products which have been placed on
board and are in the course of shipment to the
Community before the entry into force of this Regula-
tion.

3. The entry into free circulation in the other
Member States of the textile products referred to in
paragraph 1 remains subject to the presentation of the
import document provided for in Commission Regu-
lation (EEC) No 1251/78 (2).

Article 2

This Regulation shall enter into force on the day of its
publication in the Official Journal of the European
Communities.

It shall be applicable until 31 December 1978.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 13 September 1978.

The President
Roy JENKINS
