Notification under Article 4:4

Amendment to the Agreement between the United States and Hong Kong

The Textiles Surveillance Body has received a notification from the United States of a further amendment to its bilateral agreement with Hong Kong, concluded under Article 4 of the Arrangement.¹

The TSB, pursuant to its procedure regarding bilateral agreements notified under Article 4:2, has examined the relevant documentation and is circulating the text of the notification to the participating countries.

¹/ For details of the original agreement and amendments, see COM.TEX/SB/321, 393 and 438.

²/ See COM.TEX/SB/35, Annex B.
Sir,

I have the honour to refer to the consultations between representatives of the Government of the United States and representatives of the Government of Hong Kong which took place in Hong Kong from 15 to 20 January and in London from 14 to 21 March 1979 relating to the Agreement between the two Governments concerning trade in cotton, wool and man-made fibre textiles and textile products dated 8 August 1977, with annexes, as amended (hereinafter called "the Agreement").

As a result of the above-mentioned consultations, I propose on behalf of the Government of the United States that the Agreement be amended as follows:

(1) **Specific limits for certain categories**

The textile products in the following categories shall, as from 1 January 1979, be deemed to have ceased to be subject to the specified limits set out in Annex A to the Agreement and shall become subject to paragraph 9 of the Agreement as amended hereby.

(2) **Export authorization system**

Effective from 1 January 1979 and until the termination of the Agreement on 31 December 1982, paragraph 9 of the Agreement is replaced by the following:

"9. In view of the well established and effective Hong Kong system of export authorization and licensing, and the desire of both Governments to eliminate real risks of market disruption, the following"
consultation procedures shall apply to each category not subject to a specified limit:

(a) The Government of Hong Kong shall provide reports on export authorizations (EA's) issued for exports to the United States of such categories as frequently and in such detail as may be requested.

(b) The Government of the United States may request consultations with a view to agreement on an appropriate level of restraint for any category not given a specified limit for any agreement year whenever, in the view of the Government of the United States, conditions in its market are such that a limitation on further trade in any such category is necessary in order to eliminate a real risk of market disruption.

(c) The request for such consultations shall be supported as soon as possible, and in any case within twenty-one days of the date of the request, by a statement of market conditions in the United States which in the opinion of the Government of the United States make necessary the request for consultations. The statement shall include data similar to that contemplated in paragraphs 1 and 2 of Annex A of the Arrangement.

(d) Upon receipt of a request for such consultations, Hong Kong, as requested by the Government of the United States, shall cease or otherwise limit further issuance of EA's and shall not further issue EA's in the absence of specific agreement by the Government of the United States, pending the conclusion of consultations. EA's issued prior to receipt of the request for consultations may be honoured by the issuance of export licences by the Government of Hong Kong. The two Governments, unless agreed otherwise, shall consult as soon as possible within thirty days of the request for such consultations and shall make their best efforts to complete such consultations within thirty days of their commencement.

(e) (i) In the event that consultations do not result in agreement, the Government of Hong Kong shall have the right to resume forthwith the issuance of EA's for the export of the relevant products, provided however that the Government of the United States shall have the right to request the Government of Hong Kong to limit exports of the relevant products during the agreement year in which the request for consultations is made to a level not less than the highest of:

(A) the level of the trade in the relevant product or category for the immediately preceding agreement year plus either 20 per cent of that level (in the case of cotton and man-made fibre products) or 6 per cent of that level (in the case of wool products),
(B) the average of the level of trade in the relevant product or category for all previous agreement years since 1 January 1978 plus either 20 per cent of that level (in the case of cotton and man-made fibre products) or 6 per cent of that level (in the case of wool products),

(C) the limit requested by the Government of the United States for the cessation of issuance of EA's in accordance with paragraph 9(d) hereof.

(ii) In respect of any product or category where a limit has been established for a specific agreement year and where, in the immediately subsequent agreement year the Government of the United States makes another request for consultations under paragraph 9(b) of this Agreement, and, in the event that such consultations do not result in agreement, the Government of Hong Kong shall have the right to resume forthwith the issuance of EA's for the export of the relevant products provided however that the Government of the United States shall have the right to request the Government of Hong Kong to limit exports of the relevant products during the agreement year in which the request for consultations is made, to a level not less than the higher of:

(A) the limit established for the immediately preceding year plus either 8 per cent of that limit (in the case of cotton and man-made fibre products) or 3 per cent of that limit (in the case of wool products)

(B) the limit requested by the Government of the United States for the cessation of issuance of EA's in accordance with paragraph 9(d) hereof.

(iii) Where the Government of the United States makes a request under paragraph 9(e)(i) and (ii) hereof the Government of Hong Kong agrees that it will honour such a request.

(iv) In respect of any product or category for which a limit is established in two consecutive agreement years, either Government may during the second consecutive year elect to turn the limit established for the second of the two consecutive years into a specified limit to become effective from 1 January of the immediately following consecutive agreement year and that product or category shall remain subject to a specified limit for the duration of this Agreement. Where an election is made the specified limit so created shall in and from the year of effectiveness be
accorded growth at 4.5 per cent (in respect of cotton and man-made fibre products) or 1 per cent (in respect of wool products). The specified limit created by the election shall be accorded the flexibility provisions set out in paragraphs 6 and 7 of this Agreement.

(v) Should two requests in respect of the same product or category be made under paragraph 9(b) hereof during the term of this Agreement but in different agreement years, not being consecutive years, the provisions of paragraph 9(e)(i) shall apply to the second of the two requests.

(vi) For the purposes of this Agreement no account shall be taken of the fact that any product or category has prior to 1 January 1979 been the subject of a request under paragraph 9 of this Agreement.

(vii) The two Governments agree that the provisions of paragraph 9 hereof shall not derogate from the rights of the two Governments under paragraph 24 of this Agreement.

(viii) For the purposes of paragraph 9 hereof the phrase "level of trade" shall mean the level of trade established by consultations to be held concurrently with the consultations envisaged under paragraph 7(a)(iv) hereof, or, where such consultations have not been completed, the level of trade by date of export.

(f) In the implementation of this provision, the Government of Hong Kong shall advise the Government of the United States immediately upon receipt of any application for EA's in exceptionally large amounts or of any unusual concentration of applications for EA's in a particular category.

(g) The two Governments shall consult with regard to problems that may arise if this paragraph is invoked near the end of an agreement year, to consider the possibilities of avoiding undue hardship to the trade, such separate consultations to be held as early as possible.

If the foregoing arrangement is acceptable to the Government of Hong Kong this letter and your letter of acceptance on behalf of the Government of Hong Kong shall constitute an amendment to the Agreement.

Accept, Sir, the renewal of my highest consideration.

Sincerely,

(signed) Natale H. Bellocchi
