ARRANGEMENT REGARDING INTERNATIONAL TRADE IN TEXTILES

Modification to the Bilateral Agreement
between the EEC and Romania

The Textiles Surveillance Body has received from the European Communities notification of two modifications to the bilateral agreement between the EEC and Romania.¹

The TSB, pursuant to its procedure regarding bilateral agreements notified under Article 4 ² has examined the relevant documentation and is transmitting the text of these notifications to participating countries.

¹ Original agreement and previous modifications are contained in COM.TEX/SB/454, 485 and 658.

² See COM.TEX/SB/35, Annex B.
1. Delegations of the Socialist Republic of Romania and the European Economic Community met at Brussels on 24 November 1980 for consultations in connexion with the implementation of the bilateral EC/Romania agreement on trade in textile products, initialled on 16 December 1977.

2. On the occasion of these consultations Romania agreed to limit its exports of tents (Cat.91, Nimexe Code 62.04-23; 73) to France from 1 January 1980 to 31 December 1982 to the following annual levels:

<table>
<thead>
<tr>
<th>Year</th>
<th>Tons</th>

<tbody>
<tr>
<td>1980</td>
<td>300</td>
</tr>
<tr>
<td>1981</td>
<td>320</td>
</tr>
<tr>
<td>1982</td>
<td>340</td>
</tr>
</tbody>
</table>

It is agreed that within these quantities, Romanian exports of cotton tents may not exceed 10 per cent of the amounts fixed.

3. It is agreed between the two parties that the provisions of the agreement concerning the export of products subject to quantitative limitations, and in particular the licensing procedures established under Protocol A to the agreement, shall apply to exports of the category mentioned above from 8 December 1980 onwards. From that date, the Romanian authorities shall issue export licences and certificates of origin up to the level of the limitations agreed on for exports to France of the products concerned.

4. At the request of Romania, the present arrangement may be the subject of consultations at the end of six months in order to examine whether from the quantitative aspect it would be appropriate to fix higher amounts intended for consumption exclusively in the French market.
