LETTER FROM COMMISSION OF THE EUROPEAN COMMUNITIES

TO POLISH EMBASSY IN BRUSSELS

Brussels, 8 April 1981

Sir,

I have the honour to refer to the discussions between representatives of the Polish Embassy and the services of the Commission on problems arising on the Benelux market from Polish exports of outer garments falling within Category 83 (Nimex Code 60.05-04, 76, 77, 78, 79, 81, 85, 88, 89, 90, 91).

This matter was also raised during the consultation on 6 April 1981 between a Polish delegation and representatives of the Commission's services, following which Poland agreed to limit its exports of those products to the Benelux market for the years 1981 and 1982 to the level of 130 tons and 140 tons respectively. As has been agreed, with effect from 15 April 1981 Poland will apply the provisions of Protocol A to the Agreement regarding the double-checking system for exports of these products, in order to allow the Community authorities to ensure that the above-mentioned levels are not exceeded on the markets concerned.

In the event that you could show your agreement on this solution, I would be grateful if you would kindly confirm that the foregoing is consistent with the conclusions reached in the consultation.

Accept, Sir, etc.
