Notification under Article 7

Information Submitted by the European Communities

The Textiles Surveillance Body has received from the Commission of the European Communities a communication concerning a number of safeguard measures, taken under Article 60 of the Additional Protocol to the EEC/Turkey Association Agreement, relating to imports of certain textile products from Turkey, a participant in the MFA as extended by the 1981 Protocol, into regions of the Community.

The TSB is transmitting the relevant documentation to participants in the Arrangement for information, pursuant to the provisions of Article 7 of the MFA. The TSB's remarks concerning these measures are contained in COM.TEX/SB/779, paragraphs 11 and 12.
COMMISSION REGULATION (EEC) No 876/82
of 15 April 1982
making the importation of certain textile products originating in Turkey subject to quantitative limitation

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1842/71 of 21 June 1971 ('), and in particular Article 1 thereof,

Having regard to the formal request submitted by France after consultation within the Advisory Committee established by Article 3 of that Regulation,

Whereas there has been a substantial increase in imports of shirts on the French market in particular since 1979 while at the same time consumption was falling leading to an increase of about 25 % of the rate of import penetration which has now reached 40 %, resulting in the closure of factories and considerable loss of employment;

Whereas, in consequence of this situation, imports of shirts originating in the majority of low-cost supplier countries have been subject to a Community system of authorization and quantitative limitation;

Whereas imports into France of shirts originating in Turkey represented in 1981 8-4% of total imports of this product; whereas during the first two months of 1982 imports originating in Turkey have already reached 47 % of imports in 1981, which represents an increase of 650 % compared with the same period in 1981;

Whereas the extremely rapid increase in recent months of imports into France of shirts originating in Turkey have helped to exacerbate the cumulative disturbance of that market;

Whereas the volume of this increase makes it necessary to take immediate action aimed at avoiding irreparable damage to French producers and a serious deterioration in the economic situation of that region of the Community; whereas it therefore justifies the adoption, pursuant to Article 60 of the Additional Protocol to the Association Agreement between the European Economic Community and Turkey, of the protective measures needed to overcome these difficulties,

HAS ADOPTED THIS REGULATION:

Article 1
1. The importation into France of the category 8 textile products listed in the Annex, originating in Turkey, shall be suspended until 30 June 1982.

2. The provisions of the preceding paragraph shall not apply to products which have been placed on board and are in the course of shipment to the Community before the entry into force of this Regulation.

Article 2

This Regulation shall enter into force on the day of its publication in the Official Journal of the European Communities.

It shall be applicable until 30 June 1982.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 15 April 1982.

Whereas imports of textile products into the Community have given rise to market disturbance and are causing serious damage during recent years to Community producers, resulting in the closure of mills and considerable loss of employment;

Whereas, in consequence of this situation, imports of certain textile products originating in the majority of low-cost supplier countries are at present subject to a Community system of authorization and quantitative limitation;

COMMISSION DECISION
of 11 May 1982
authorizing Italy to suspend the issuing of import documents in respect of certain textile products originating in Turkey
(Only the Italian text is authentic)

(82/316/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1842/71 of 21 June 1971 (1), and in particular Article 2 thereof,

Having regard to the formal request submitted by Italy after consultation within the Advisory Committee established by Article 3 of that Regulation,

Whereas imports of textile products into the Community have in recent years given rise to market disturbance and are causing serious injury to Community producers, resulting in the closure of mills and considerable job losses;

Whereas in consequence of this situation imports of certain textile products originating in the majority of low-cost supplier countries are at present subject to a Community system of authorization and quantitative limitation;

Whereas imports into Italy of cotton fabrics originating in Turkey during the first two months of 1982 have already reached 25% of the 1981 imports, which represents an increase of 250% compared with the same period in 1981; whereas in particular during the first four months of 1982 import documents have been issued for a total amount of 5,373 tonnes, which represents an increase of 610% compared with the same period in 1981 and a potential increase in imports of 525% compared with 1981;

Whereas the rise in imports and the substantial and rapid increase anticipated in the volume of those imports have contributed to aggravating the cumulative disruption of this market;

Whereas this situation, in particular the volume of import documents already issued, makes it necessary to take immediate action in order to avoid irreparable injury to Italian producers and a serious deterioration in the economic situation of that region of the Community; whereas it is therefore necessary to adopt, pursuant to Article 60 of the Additional Protocol to the Association Agreement between the European Economic Community and Turkey, the protective measures needed to overcome these difficulties; whereas, however, such measures should initially be restricted to suspending the issuing of new import documents so that the latter's effects on the market situation can be assessed and any measures determined which ought subsequently to be applied,

HAS ADOPTED THIS DECISION:

Article 1

Italy is hereby authorized to suspend the issuing of the import documents provided for in Regulation (EEC) No 2819/79 (1) in respect of the textile products originating in Turkey listed in the Annex.

Article 2

This Decision shall be applicable until 30 June 1982.

Article 3

This Decision is addressed to Italy.
