Dear Dr. Waas,

We are writing with reference to para 3 of the Agreement on Trade in Textiles between Thailand and Austria as concluded on April 29, 1982 which states that "Thailand shall require all exports to Austria of woven blouses of man-made fibres or of cotton, CCCN.No. ex 61.02, and of woven shirts of man-made fibres or of cotton, CCCN. No. ex 61.03, to be covered by certificates of origin issued by Thailand, the sample of which is attached, indicating Austria as the country of final destination and also indicating the name and address of the Austrian importer. Certificates of origin shall be valid for the purpose of presentation to the Austrian licencing authority for a period of up to 6 months from the date of issue"

Since it is the intention of the Department of Foreign Trade to simplify all export documents including the certificate of origin, we wish to propose, for your consideration, a new form of textile certificate of origin, as attached, to be put into use beginning May 1, 1983. If this proposal is acceptable to your government, this letter and your letter of confirmation on behalf of your government shall constitute an agreement to the above effect.

Sincerely yours,

(Mrs. Oranuj Oonanandha)
