ARRANGEMENT REGARDING INTERNATIONAL TRADE IN COTTON TEXTILES

Arrangements Between Canada and Malaysia

The following communication has been received by the Director-General from the Canadian mission for notification to the Cotton Textiles Committee.

1Malaysia is not party to the Cotton Textiles Arrangement.

2For previous arrangements see COT/127/Add.1.
1. This Memorandum of Understanding sets out the arrangements which have been concluded between the Governments of Canada and Malaysia regarding the restraints to be applied by the Government of Malaysia to exports of cotton and polyester/cotton trousers (including slacks, shorts and jeans) to Canada.

2. The Governments of Canada and Malaysia agree that exports of cotton and polyester/cotton trousers (including slacks, shorts and jeans) from Malaysia to Canada will be limited to the following levels during the noted periods:
   
   A. Twelve-month period beginning 1 September 1971: 30,654 dozen
   
   B. Twelve-month period beginning 1 September 1972: 32,187 dozen

3. The Governments of Canada and Malaysia will on request enter into consultations about any matter arising from or related to this arrangement and provide each other with any available statistical data relevant to this arrangement.
